

Between The Bars  
by Madeleine Peyroux

capo 2

intro = 2x (Am - F)

verse

Am F  
Drink up baby, stay up all night  
C E7  
The things you could do, you won't but you might  
Am F  
The potential you'll be but you'll never see  
C E7 F  
The promises you'll only make

Drink up with me now and forget all about  
The pressure of days. Do what I say  
And I'll make you OK and drive them away  
The image is stuck in your head

chorus

F G Am  
People you've been before  
F G Am  
That you don't want around anymore  
F G Am  
That push and shove and won't bend to your will  
F Fm  
I'll keep them still

Drink up baby, look at the stars  
I'll kiss you again between the bars  
Where I'm seeing you there with your hands in the air  
Waiting to finally be caught

(instrumental verse)

Drink up one more time and I'll make you mine  
Keep you apart deep in my heart  
Separate from the rest where I like you the best  
And keep the things you forget

People you've been before  
That you don't want around anymore  
That push and shove and won't bend to your will  
I'll keep them still
