by Alice in Chains

<pick>

D G A D G A
Hey, I ain't never coming home
D G A D G A
Hey, I'll just wander my own road
D G A D G
Hey, I can't meet you here tomorrow
A G
Say goodbye don't follow
A D
Misery so hollow

<D - G - A, D - G - A>

Hey you, you're livin life full throttle
Hey you, pass me down that bottle
Hey you, you can't shake me round now
Get so lost and don't know how
It hurts to care and I'm going down

<strum> 4x (A - D)

A
Forgot my woman, lost my friends
D
Things I'd done and where I've been

Sleep in sweat the mirrors cold
See my face, it's growin old

Scared to death no reason why
Do whatever to get me by

Think about the things I said
Read the page it's cold and dead

A
And take me home
D

Yeah!
A D
Take me home
Take me home
Take me home, yeah
A
Take me home...

<pick> G - A - G

A D
Say goodbye, don't follow
