

Losing My Religion
by R.E.M.

Intro = 2x (F - G - Am), G

Oh life - is bigger, it's bigger than you
And you are not me; the lengths that I will go to
The distance in your eyes
Oh no, I've said too much; I've said enough

That's me in the corner; that's me in the spot light
Losing my religion. Trying to keep up with you
And I don't know if I can do it
Oh no, I've said too much; I haven't said enough

CHORUS:

I thought that I heard you laughing
I thought that I heard you sing
I think I thought I saw you try

Every whisper, every waking hour
I'm choosing my confessions, trying to keep eye on you
Like a hurt lost and blinded fool, fool
Oh no, I've said too much; I said enough

Consider this, consider this - hint of the century
Consider this, the slip, that brought me to my knees pale
What if all these fantasies come - flaming aground
Now I've said - too much

[CHORUS]

Interlude = 2x (C - Am)

That's was just dream...
That's was just a dream

That's me in the corner; that's me in the spot light
Losing my religion. Trying to keep up with you
And I don't know if I can do it
Oh no, I've said too much; I haven't said enough

[CHORUS], plus:

But that was just a dream, try, cry, why try
That was just a dream, just a dream, just a dream, dream
