

The Needle and the Damage Done

by Neil Young

<riff: D - D/C - G/B - Bm/Bb - C - F - Esus4 - E>

I caught you knockin' at my cellar door
I love you baby, can I have some more?
Oh... the damage done

I hit the city and I lost my band
I watched the needle take another man
Gone, gone, the damage done

<riff>

I sing this song because I love the man
I know that some of you don't understand
Milk blood to keep from running out

I've seen the needle and the damage done
A little part of it in everyone
But every junkie's like the setting sun

<riff>
