

# Plateau

by The Meat Puppets

Em G Em G Em G D  
Many a hand has scaled the grand old face of the plateau  
Em G Em G Em G D  
Some belong to strangers, some to folks you know  
Em G Em G Em G D  
Holy ghosts and talkshow hosts are planted in the sand  
Em G Em G Em G D F  
Beautify the foothills; shake the many hands

Em G D  
Nothin' on the top but a bucket and a mop  
Em G D  
And an illustrated book about birds  
Em G D  
You see a lot up there but don't be scared  
Em G D  
Who needs action when you got words

Finished with the mop then you can stop and look at what you've done  
Plateau's clean, no dirt to be seen, and the work, it was fun

Nothin' on the top but a bucket and a mop  
And an illustrated book about birds  
You see a lot up there but don't be scared  
Who needs action when you got words

Many a hand's began to scan around for the next plateau  
Some say it was Greenland, some say Mexico  
Others decided it was nowhere except for where they stood  
Those were all just guesses, wouldn't help you if they could
